

REQUEST FOR EVALUATION (RFE) - INDIVIDUAL, INTERIOR, SCENIC

INSTRUCTIONS:

The Landmarks Preservation Commission is responsible for identifying and designating the special buildings and sites that represent the architectural, historical and cultural heritage of New York City. The Commission's Research Department accepts suggestions from the public regarding potential historic resources throughout the five boroughs. If a property appears to rise to the level of significance necessary to be considered for Landmark designation, the agency may conduct additional research, and may recommend it for consideration by the Commission.

Please complete all 5 sections of this form. Fields marked with an asterisk (*) are required. An incomplete submission may slow down review of your request. You may mail this form to the address above or send it by email to RFE@lpc.nyc.gov.

Requests will only be considered if a property is 30 years or older and if it is not already designated as a New York City Landmark. Please be advised that if a property is located within the boundaries of a Historic District or Scenic Landmark, the exterior of the property is already protected under the full extent of the law. LPC does not regulate the use or occupancy of Landmark buildings and sites.
