Re: Terminal City - Roosevelt Hotel and Postum Building

Dear Francoise, Simeon, Elizabeth, and Peg:

Thank you for your joint letter emailed on June 8, 2021 to Chair Carroll regarding the Roosevelt Hotel and Postum Building near Grand Central Terminal. In our work in East Midtown and in response to recent Requests for Evaluation, we have found these buildings may merit consideration for designation, which would only be possible in the context of agency priorities in all five boroughs. We appreciate your additional support for their designation and have added your letter to our research files

Sincerely,
